4. TOWN RESPONSIBILITY ITEMS

The Town will:

- Ensure road closures;
- Arrange for signage and traffic control;
- Daylight where necessary; and
- Retain any base material removed.

5. CONTRACTOR RESPONSIBILITY ITEMS

The contractor will be responsible for:

1. Adhering to all OH&S Regulations;
2. Arranging for applicable line locates;
3. Communicating any changes regarding timeline to the Manager of Public Works to allow adequate time for traffic control notices;
4. Communicate in writing if the final invoice is expected to be more than quote including reasoning; and
5. Repairing all patches listed in Section 3 according to the specifications referred to in Section 1 and 8.

Quotes must include:

1. Price breakdown including:
 - a. Price per square foot of asphalt;
 - b. Labour rate for all equipment;
 - c. Travel; and
 - d. Mobilization and demobilization.
2. Proposed dates for locations;
3. Completed and submitted table 3.1;
4. Statement of commitment to timeline; and
5. All applicable taxes.

Contractors must be able to commit to a timeline of completion and will be deemed the prime contractor once awarded.

6. TIMETABLE/SCHEDULE

Project Schedule	Date
Submission deadline	August 10 2020
Award of Quote	August 18 2020
Commencement of Work	TBD upon award
Completion deadline	September 18 2020

7. EVALUATION CRITERIA

The evaluation of quotes received will be on the basis of the following:

- Information requested in section 5 is included;
- Price;
- Availability to commit to timeline.

8. REFERENCES AND FIGURES

1. Mowery subdivision Phase 1 (2010) Record drawing.

Any questions will be responded to within 24 hours of request up to 24 hours before submission deadline
